

Hold Government Accountable

No Secrets. No Games. Just Service.

THE PROBLEM

Right now, people feel like:

- You can't see what your representatives are really doing
- Deals are happening behind closed doors
- Politicians benefit while everyday people struggle
- There are no real consequences

MY PLAN

This is about putting power back where it belongs—with you.

Full transparency

Every bill gets a plain-language summary so you actually understand what's being passed.

Transparent spending & voting

You should be able to easily see how your representatives vote and where money is going.

No more backroom influence

Mandatory disclosure of all lobbyist interactions.

Term limits that make sense

Two terms max, with a possible third only if voters demand it through a special election.

Cut congressional pay

Lower salaries to \$80,000/year—this should be public service, not a get-rich career.

No stock trading

Zero stock trading while in office. Period.

Serve your community

Representatives must volunteer 15 days a year in their own communities.

WHAT THIS MEANS FOR YOU

- You can actually see what your government is doing
- Less corruption and insider advantage
- Representatives who serve—not profit
- Power back in the hands of the people

If they work for you, you should be able to see everything they do.
