

TEEN LIFE Overview

Olive Tree Resources is your training partner for TEENS, TEAMS and the FAMILY. The Teen Life program is specifically designed to relate to the current stage of life teens are journeying through. This 12 month program for teens in middle & high school (13 & 18 years old). There are a variety of resources implemented throughout the year (as listed within the Investment Package). The resources are tailor-made for each group of teens, as well as individual needs. When the teen enters the program the mentorship and coaching continues until they graduate from high school.

The program is an investment into the future generation. TEEN LIFE is literally one fast food meal per week investment for our children. It is a little less than \$1 a day annual invest-

ment. Are our teens worth this investment? YES!

Thank you for allowing us to partner with you for our TEENS LIFE!

This leadership development and mentorship opportunity is made possible for New Albany, IN Floyd Co. teens by the support of the City of New Albany, Mayor Jeff Gahan and HUD.

We thank them for their partnership.
