

Look at your watch...because it's MillerTime!

My name is Ashley. I am an entertainer who loves a challenge!
Games & laughter are my 2 favorite things! (I dare you to play me at cornhole 😊)

I am damn good at creating an experience, a memory, a team bond, and a fun distraction from day-to-day life. I specialize in engaging, hysterical, interactive and random TRIVIA & BINGO + games of all sorts, AND a comedic improv show.

MillerTime TRIVIA:

My TRIVIA format is challenging, comedic, fun, interactive, and memorable due to the questions I provide and the unexpected twists and turns I incorporate (ie: can you identify a song played backwards? How are you at anagrams? OR when was the last time you made a paper airplane?). A favorite addition to every event are the props & games I provide for tie-breakers and additional challenges (ie: Plinko, Simon, Connect Four).

The content, structure, and guidelines can and/or will be altered based on your expectations, demographic, and/or personal preference.

- PROVIDED (+/- 2 hour): questions, materials, side games, props, additional staff, entertainment & sometimes costumes
- REQUIREMENTS: I do have a loud voice, but a microphone is preferred but not a dealbreaker. Prizes for winners. Additional details TBD.

MillerTime BINGO:

I learned from the best...My Granny! Not standard BINGO by any means! To get a MillerTime bingo you might need to form a checkerboard, or maybe the letter G... have you ever formed a puppy to get bingo? Wild numbers are always a fun surprise, as are extra cards given out randomly (ie. anyone wearing mismatched socks, or anyone with more than 5 keys on their keyring). Yep...UNORTHODOX!

- PROVIDED (+/- 2 hour): Bingo cards, DAUBERS, computer program, props, games, additional staff & entertainment
- REQUIREMENTS: Television or projector screen that can screen share or have USB output. I do have a loud voice, but a microphone is preferred but not a dealbreaker. Prizes for winners. Additional details TBD.
