☀ Hello June, Hello Progress!

As summer approaches, our community continues to grow stronger together. Here's what's happening around Madison Chase this month—and how you can stay involved!

Upcoming Membership Meeting

Mark your calendars!

Date: **Thursday, June 5th**

Time: **7:00 PM**

Location: **Poquoson Library or Virtual**

Note: Attendees must notify Property Management by 5:00 PM on the day of the meeting if attending via Zoom.

This meeting is especially important—we'll be finalizing the upcoming Board of Directors. Your voice matters, and your participation helps shape our neighborhood's future. Let's come together and keep the momentum going!

Open Forum – Let's Talk!

After the meeting, we'll host a brief Open Forum. This is your chance to ask questions, raise concerns, or share suggestions with the Board and community members. We value your input and want to hear from you.

Parking Website Walkthrough

Our new parking system is officially live! During the meeting, we'll walk you through how to register your vehicles on the new parking website. This step-by-step demonstration will ensure you're set up and compliant with our updated policies. Don't worry—it's easier than it sounds!

Prefer to set it up on your own time? Follow the steps below to set up your parking permit.

1. Go to www.BDTparking.com
2. Under the "Tenant Login Only" box, click "I Permit Request".
3. Make sure the "Register" option is selected and input all information required, creating your user account.
4. Verify the e-mail address and phone number you provided by inputting the six-digit code sent to each one.
5. Choose your property. Read and agree to the parking addendum. Put in apartment number. Add vehicle information (license plate, year, make, model, color). Upload a photo of your driver's license, registration, insurance, and front page of lease. Select submit.
6. After the application has been submitted, you will receive an e-mail when the leasing office approves it. Once the application has been approved, you may then choose the "log-in" option when accessing the website.
