

Shorrock Memorial Scholarship

Paul and Gertrude Shorrock were true believers in the value of the “camp experience.” Their lives were devoted to appreciating God’s creation and sharing it with others. As members of our congregation, their legacy is being continued through the creation of the Shorrock Memorial Scholarship.

Through the Shorrock’s’ generosity, we are able to offer college scholarships to those FPCS Youth who devote their time to working the **full** summer season at a Christian Camp, being either paid or volunteer staff.

If you qualify for this additional scholarship, please fill in the information below (in addition to all information on the regular college scholarship application.)
