
Angelic Reiki with Alia

Introduction

The practitioner workshop (levels 1 and 2) provides an introduction to Angelic Reiki.

Working hand in hand with the Angelic Realms, Ascended Master Collective and Galactic Beings, Angelic Reiki offers a profound system of healing and consciousness expansion. It is a powerful means of personal development, transformation and preparation for Ascension.

It is the healing for our time.

Angelic Reiki is a powerful healing modality that works with the highest energies of the Angelic Realm to bring about healing and balance on all levels to those receiving the healing energy. With Angelic Reiki we have the possibility for self healing and to send healing to other people, places and situations near and far.

Angelic Reiki draws from the Usui and Shamballa lineages and combines these with powerful transmissions channelled by Kevin Core.

This is a complete system of energy healing which is open to all. The attunements prepare and initiate participants to start working hand in hand with the Angelic Beings of Light and establishes a conscious and permanent link with the Angelic Dimension.

During an Angelic Reiki Healing Treatment the practitioner is simply a bridge for the angelic healing energy to pass to the recipient.

Angels are not restricted by time and space. Working together with Angels and Archangels therefore allows us to reach deeply into all areas which require rebalancing and healing. In multidimensional Angelic Reiki healing the recipient is lovingly supported to let go of physical, emotional and karmic imbalances as well as ancestral issues throughout all time and space. It is a blessing to give and receive these angelic healing sessions.

The Healing Session.

In a one to one healing session, the practitioner channels Angelic healing energy through his or her hands which are placed on the shoulders if the client prefers a sitting position, or on the chest and solar plexus if the client prefers to lie down. The client remains fully clothed throughout. Clients have a profoundly relaxing experience as they listen to music. The whole session lasts about an hour. The healing energy is channelled from the Angelic Realms via Healing Angels, Archangels, Ascended Masters and Galactic Healers. the scope of the session can extend to include multidimensional healing across generations

and lifetimes. Often practitioners will include the use of crystals or other energetic tools such as flower remedies, as appropriate for the individual client's needs.

Distance or remote healing is equally powerful for those comfortable with the idea that energy is not bound by time or space and healing can be sent anywhere in the world through the ether.

After attending a Practitioner level workshop, students will be able to use angelic healing energy for self healing sessions and to give healing sessions to others. The frequent use of Angelic Reiki for yourself, ideally on a daily basis, promotes powerful personal transformation and healing on the physical, mental and spiritual levels, raising your consciousness towards Ascension.

Angelic Reiki Workshops.

The Angelic Reiki healing system is taught by means of two workshops which connect the student with the most powerful Angelic energy being anchored on earth at this time.

Angelic Reiki is equally suitable for beginners and those experienced in other healing systems. No experience in any other holistic complimentary therapy is required by those wishing to learn Angelic Reiki. The starting point for experienced Usui Reiki or other holistic therapy practitioners is Level 1 & 2.

Angels are the master programmers of the Main Programme we know as the Universe.

Through their guidance and healing art of Reiki, we can positively influence the creative energy systems of any individual or group according to Divine Will.

This could be on a physical, emotional or mental level. Although Angelic Reiki uses symbols common to other Reiki systems, there is something extra attached to this system which sets it apart. That something extra is the Divine Vibration, which comes in on the Reiki symbols and attunes the healer and receiver to their Soul Energy. It is the Angelic vibration, being an extension of Source itself, that makes this possible. During the healing, the healer is simply a channel, a bridge, whereby the energy of the Angelic Kingdom is passed to the receiver.

The healing energy deals with the root cause of the problem rather than the effect or symptom, therefore allowing the body to heal itself on all levels. At the first attunement, a sacred partnership is established with a specific Healing Angel who will work with and through the student on a permanent and ongoing basis.

There is no requirement to memorise Reiki symbols or hand positions - the Reiki symbols and much more, are integrated into the students energy body at the time of attunement. Every healing is perfect in its conception and transmission using the healer as a channel for the Angelic Kingdom of Light. The attunements are given by the Angelic Kingdom of Light - it is an honour and privilege to facilitate this.

Angelic Reiki is the absolute joy of working hand in hand with the Angelic Kingdom of Light to bring one of the highest forms of healing to individuals, groups and the planet.

During the Angelic 1 and 2 Practitioner's Course you will receive:

Complete Karma Cutting and Angelic Clearing prior to each attunement

Full attunement to Angelic Reiki First and Second Degrees, which includes eight Divine multi dimensional symbols. These sacred symbols are attuned through the Angelic vibration.

At the conclusion of the workshop the symbols will be activated to Angelic Level through attunement to the Angelic Kingdom of Light at the 11th dimension by Archangel Metatron and the Sarim - the 30 Archangels, who are the Chief Celestial Angel Princes.
