

Additions:

- Added more LED strips on the set to be accurate to the set.
- Added more specials on the grid and floor, look for squares on grid plot.
- Added birdies (practicals) on set.

Removed:

- Removed the ADJ Mega Bars under seats.
- Removed R30 and added R33, in favor of making show less pink.

Changes:

- B409 Booms
- Moved moon gobo light to pipe 10 from catwalk pipe.
- Added R119 to the roaming hotspot.
- Moved the Series 3 LEDs.

All notes will be relevant to lighting changes, not plot format changes.
