

### MEET THE INSTRUCTOR

## Darteceia Lockett

Darteceia Lockett is a passionate educator with a strong commitment to inspiring and empowering students through engaging, student-centered learning. With teaching experience in both the Florence and Coolidge Unified School Districts, Darteceia brings creativity, dedication, and a deep understanding of how to make education both meaningful and enjoyable.

She holds a Bachelor of Science in Business Management, which enhances her ability to foster leadership, critical thinking, and real-world application in the classroom. B
