## How We Worship

We are a group of imperfect people who come together to help each other strengthen our connection with God and each other. In worship we do this by greeting each other with genuine interest and care for one another.

- \* **We sing** to God with a spirit of thanksgiving.
- \* **We pray** together to give thanks to God for what he has done for us and to ask for His help for those who are in need.
- \* **We take communion** to celebrate the life of Christ, remember His sacrifice, and take comfort in His promise to come back for us.
- \* **We listen to the preaching of God's Word** to deepen our knowledge and challenge us to better reflect Jesus in our lives.
- \* **We give from our hearts** to support God's mission of reaching our community for Christ.

*"God is spirit, and those who worship him must worship in spirit and truth." John 4:24 (ESV)*

**2024 THEME**  
**Colossians 1:28**

**Him we proclaim, warning everyone and teaching everyone with all wisdom, that we may present everyone mature in Christ. (ESV)**

---

**Spiritual Maturity is the continuous process of spiritual growth into the image of Christ.**

### Signs and Symptoms:

- Osteoporosis is often asymptomatic until a fracture occurs.
- Common signs and symptoms of osteoporosis-related fractures include sudden back pain, loss of height over time, a stooped posture, and fractures resulting from minor falls or injuries.

### Treatment and Management:

1. **Medications:** Several medications are available to treat osteoporosis and reduce the risk of fractures. These include bisphosphonates, hormone therapy, denosumab, and selective estrogen receptor modulators (SERMs).
2. **Nutrition and Supplements:** Adequate intake of calcium and vitamin D is essential for bone health. Supplements may be recommended for individuals who are unable to get enough nutrients through diet alone.
3. **Exercise:** Weight-bearing and muscle-strengthening exercises can help improve bone density and reduce the risk of fractures. Examples include walking, jogging, dancing, and resistance training.
4. **Fall Prevention:** Taking steps to prevent falls, such as removing tripping hazards from the home, using assistive devices as needed, and practicing balance exercises, can help reduce the risk of fractures in individuals with osteoporosis.

**Osteoporosis is a serious condition that can have significant consequences, but it is not inevitable. By adopting healthy lifestyle habits, staying proactive about bone health, and working closely with healthcare providers, individuals can reduce their risk of osteoporosis and maintain strong and healthy bones for years to come.**

**For more information and personalized guidance on osteoporosis prevention and management, consult with your healthcare provider or visit reputable sources such as the National Osteoporosis Foundation ([www.nof.org](http://www.nof.org)).**

**Remember: Strong Bones, Strong Life!**

## **Maintaining Your Kit**

After assembling your kit remember to maintain it so it’s ready when needed: Keep canned [food](#) in a cool, dry place.

- Store boxed food in tightly closed plastic or metal containers.
- Replace expired items as needed.

Re-think your needs every year and update your kit as your family’s needs change.

## **Kit Storage Locations**

Since you do not know where you will be when an emergency occurs, prepare supplies for home, work, and cars.

**Home:** Keep this kit in a designated place and have it ready. Make sure all family members know where the kit is kept.

**Work:** Be prepared to shelter at work for at least 24 hours. Stored in a “grab and go” case.

**Car:** In case you are stranded, keep a kit of emergency supplies [in your car](#).

### **Additional Items to Consider Adding to an Emergency Supply Kit:**

- Prescription medications and glasses
- Infant formula and diapers
- Pet food, water and supplies for your pet
- Important family documents such as copies of insurance policies, identification and bank account records in a portable waterproof container
- Cash and change
- Emergency reference material such as a first aid book or information from [www.ready.gov](http://www.ready.gov)
- Sleeping bag or warm blanket for each person. Consider additional bedding if you live in a cold-weather climate.
- Complete change of clothing including a long sleeved shirt, long pants and sturdy shoes. Consider additional clothing if you live in a cold-weather climate.
- Fire Extinguisher
- Matches in a waterproof container
- Feminine supplies, personal hygiene items and hand sanitizer
- Mess kits, Paper cups, plates and disposable utensils, paper towels
- Paper and pencil
- Books, games, puzzles or other activities for children

## Helpful Tips:

Hurricane season is June 1—November 30 annually.

After a hurricane you may have to shelter in place for several days.

### Recommended Items to Include in a Basic Emergency Supply Kit:

- Water and non-perishable food for several days
- Extra cell phone battery or charger
- Battery-powered or hand crank radio that can receive NOAA Weather Radio tone alerts and extra batteries
- Flashlight and extra batteries
- First aid kit
- Whistle to signal for help
- Dust mask, to help filter contaminated air and plastic sheeting and duct tape to shelter-in-place
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Non-sparking wrench or pliers to turn off utilities
- Can opener (if kit contains canned food)
- Local maps

1 gal of water person a day for several days.
