

The [former] Truth Centre

Master Reference List for Publications

Introduction

This book reference list covers most of the main topics that allude to, and promote:

"And ye shall know the truth, and the truth shall make you free." John 8:32 KJV

Further to that, we are in a time now, on dear Mother Earth, whereby if one gets a message, and chooses to ignore it, then this King James quote applies, as well:

"My people are destroyed for lack of knowledge: " Hosea 4:6 KJV

While this may seem to be negatively definitive in terms of the average individual's ability to choose a secure future, I assure you that the exact opposite is true. We all are *powerful* by right of our own gift of free will – it just has to be exercised!
