

Fear & Guilt
Biblical Quotes
The Holy Bible – King James Version

Introduction

This brief reference is one of a multitude of attempts to place the propagated falsehoods of *fear & guilt*, where they belong – removed from the mind of any and all incarnated beings on planet Earth.

1. Both fear and guilt have been the major influential tactics of those who propagate propaganda to the global masses, and
2. Both fear and guilt are the popular choice because of their deep success in motivating human beings to reside in devastating emotional states, and
3. Both fear (100) and guilt (30) register low on the chart of the 17 Levels of Consciousness, and
4. Both fear and guilt register well below the critical level of Courage at 200, which means they are based upon **falsehood!** Find the foundation – reveal the falsehood.

Briefly, here are 4 separate references, from the King James Bible, dispelling the false notion of fear:

"And the LORD appeared unto him the same night, and said, I am the God of Abraham thy father: fear not, for I am with thee, and will bless thee, and multiply thy seed for my servant Abraham's sake."
Genesis 26:24 KJV

"And Joseph said unto them, Fear not: for am I in the place of God?" Genesis 50:19 KJV

"Unto this day they do after the former manners: they fear not the LORD, neither do they after their statutes, or after their ordinances, or after the law and commandment which the LORD commanded the children of Jacob, whom he named Israel;" 2 Kings 17:34 KJV

"And David said to Solomon his son, Be strong and of good courage, and do it: fear not, nor be dismayed: for the LORD God, even my God, will be with thee; he will not fail thee, nor forsake thee, until thou hast finished all the work for the service of the house of the LORD." 1 Chronicles 28:20 KJV

Conclusion

Fear from **unseen** assailants & religious guilt has been the key coercive measures used by the controllers, for many centuries. The absurdity remains to be that this attack upon the population is totally based upon falsehood!

The utter *frailty* of this procedure does not lessen the effectiveness and success that has been gained by it.

That remains to be the biggest quandary of it all.
