The NAPSEC Annual Leadership Conference is designed to foster collaboration, learning, and leadership within the private special education and adult service communities. We are grateful for our exhibitors and sponsors who help fulfill our important mission to:

Advance Leadership

Provide professional development and capacity-building opportunities for executive directors, administrators, and other leaders who serve individuals with disabilities. The conference delivers high-quality sessions on innovative practices, organizational leadership, policy, and compliance.

Foster National Collaboration and Networking

Create meaningful connections among providers, thought leaders, advocates, and industry partners. The event serves as a platform for building partnerships and sharing best practices across states and service models.

Elevate Policy Awareness and Support Advocacy

Equip attendees with critical updates on federal policy developments affecting private special education.

Celebrate Excellence in the Field

Recognize and honor our national awardees who exemplify outstanding service, innovation, and impact in special education and adult services.

Promote the Value of Accreditation

Highlight the role of accreditation through NCASES, emphasizing the importance of quality assurance, continuous improvement, and professional standards in special education and adult service programs.

Support Knowledge Sharing and Innovation

Encourage open dialogue and the exchange of evidence-based practices through concurrent sessions, roundtables, and keynote presentations—covering everything from clinical supports and compliance to workforce development and organizational culture.
