12.    All final plats shall meet all the surveying and monumenting requirements of Section 236.15 of the Wisconsin Statutes.
13.    Where the Plat is located within a U.S. Public Land Survey quarter-section, the corners of which have been relocated, monumented and coordinated by the Wisconsin Department of Transportation, the Southeastern Wisconsin Regional Planning Commission, or any County, City, Village or Village/Town, the Plat shall be tied directly to one of the section or quarter corners so relocated, monumented and coordinated. The exact grid bearing and distance of such tie shall be determined by field measurements, and the material and Wisconsin state plane coordinates of the monument marking the relocated section or quarter corner, to which the Plat is tied, shall be indicated on the Plat. The grid bearing and distance of the tie shall be determined by a closed survey meeting the error of closure herein specified for the survey of the exterior boundaries of the subdivision. All distances and bearings shall be referenced directly to the Wisconsin Coordinate System, South Zone, and adjusted to the control survey.
14.    All final plats shall provide all the certificates required by Section 236.21 of the Wisconsin Statutes. The surveyor's certificate shall contain a description of the survey beginning at the U.S. Public Land Survey corner to which the survey is tied.
15.    The Final Plat shall only be recorded with the County Register of Deeds after the certificates have been signed by the Director of the Planning Function in the Wisconsin Department of Administration, the Village/Town Board, the Surveyor, and those certificates required by Section 236.21 of the Wisconsin Statutes are placed on the face of the plat. The plat shall be recorded within 30 days of its approval by the Village/Town Board.
16.    Where the Village/Town Plan Commission finds that it requires additional information relative to a particular problem presented by a proposed development to review the certified survey map, it shall have the authority to request in writing, such information from the subdivider.
