## STORM WATER MANAGEMENT EVALUATION REQUEST

\_\_\_\_\_ Village \_\_\_\_\_ Town  
**Fee: \$375.00**

**Property Owner:** \_\_\_\_\_

**Owner Address:** \_\_\_\_\_

**Phone Number:** \_\_\_\_\_

**Location of Property:**

**Tax Parcel Number:** \_\_\_\_\_

**Address:** \_\_\_\_\_

If no address is available, please give a description of the location that will enable the Village/Town Engineer to locate the site without assistance. (Examples: across from W4531 Orchid in Pell Lake Subdivision, or southwest corner of Tulip and Violet in Nippersink subdivision):

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Type of Construction:

Indicate the type of building to be constructed. (Examples: single family residential, commercial, pole barn, etc.)

\_\_\_\_\_

### Office Use Only:

Date Filed:	Amount Paid:	Received by:
-------------	--------------	--------------

Sketch:

Attach a drawing of the site. Show where all buildings will be placed, along with driveways, parking areas, or other impervious surfaces. Show the planned dimensions (length and width) of the same. Provide exterior dimensions of the property and the area in square feet or acres. Dimension and drawing need not be exact. You do not need to hire a surveyor! **Digital files required.**

Proposed Drainage Patterns:

Indicate on the sketch which way the land will slope after construction and any existing or planned drainage swales/ditches.

Large Lots:

If the property measures  $\frac{1}{2}$  acre or larger, indicate on the sketch any portion of the property that will be left in its natural state. (Examples: un-mowed, wooded, or cropland).

Review Schedule:

Once the Storm Water Management Evaluation Request is submitted to the Zoning Administrator, the Village/Town of Bloomfield's engineer will attempt to visit the site within a week. A written evaluation report should be complete within a week after the site visit. This report will be sent to Bloomfield's Zoning Administrator. A copy will be forwarded to the Building Inspector and the Property Owner listed on the first page of this form.

Engineering Fees:

Basic engineering fees of \$375.00 (non-refundable) is to be paid at the time request is submitted. Applicant agrees to pay engineering fees in excess of the basic cost that may occur with large or difficult projects.
