

GATEWAY PERFORMANCE STANDARDS

String 3

Setup:

2 USPSA targets, placed side by side within 12" of each other edge to edge. Left target is T1 and right target is T2.

Start Position:

Both wrists below belt

Course of Fire:

From behind the 25 yard line, draw and engage both T1 and T2 body with 2 rounds each static. Move to the 10 yard line and from behind the 10 yard line engage both T1 head and T2 head with 2 rounds each static, and then engage T1 and T2 body with 2 rounds each on the move forward of the 10 yard line.

No make up shots allowed.

Hit Factor Scoring:

60 points possible. Divide total points by total time.

A: 5 points C: 3 points D: 1 point M: -10 points.

Classification Scores:

A Class: 4.5 HF

M Class: 5.1 HF

Grandmaster: 5.7 HF

HHF: 6.0 HF

NOTE:

Each head box will be treated as its own target.

Thus, any shot aimed at the head box that drops below the bottom of the head (shoulder perf to shoulder perf) will count as a Miss. The inverse is true for any shot aimed at the body that goes high into the headbox - counted as a miss.
