

If your claim has been underpaid and/or mismanaged, we can assist you in obtaining a fair settlement from your insurance carrier.

YOU HAVE THE RIGHT TO HIRE A PRIVATE ADJUSTER!

We are licensed to assist you with your claim. We will inspect, investigate, document and adjust your claim, then we will assist you in making a demand for the payment you are owed.

Our Process:

We charge an hourly fee from the increased amount. Our fees will not exceed ten percent of the increase in total settlement.

To get started click [THIS LINK](#) and fill in your information. We will send our contract via e-mail (DocuSign). Our e-documents will include the following:

- **Public Adjuster Contract** Our agreement to work for you according to Louisiana statutes.
- **Notice to Carrier** A letter to be sent to your insurance company informing them of our role as your Public Adjuster.
- **Limited Power of Attorney** This authorizes us to deposit insurance funds into our client trust account. We will then subtract our fees and issue payment directly to you unless directed by you to issue payment elsewhere.
- **Mortgage Affidavit** This authorizes us to work directly with your mortgage company to obtain their endorsement on insurance checks listing them as an additional payee.
