Unfinished Business	Financial Assistance Program & Relief Fund In by-laws, out-take was capped at \$500, with max single pay-out \$250. With inflation these caps seem inadequate, and necessitate a pass-the-hat. The by-laws can be changed. Grand Knight suggests Option 1: change to \$1500/\$5000. Advertise/notify in newsletter, then vote the month after. Option 2: Remove Relief Fund from by-laws and include it in the yearly budget as a line-item. By-laws require votes by trustees for release of relief funds, whereas as a budget item, KoC could create a special committee for this.
