**Clothing and Personal Belongings** Each student will have a karate uniform. This uniform should be brought each Monday and taken home each Friday to be washed. Please do not machine wash the uniform belt. They should be hand-washed and air-dried, only when necessary. Care of their uniform is an important responsibility for each child. Warriors TKD Academy is not responsible for any lost or stolen personal items that the child may bring to class. Students may keep a cell phone in their backpacks, but they must be turned off and are not to be used except with MasterTanna or another instructor's permission.

**Arrival and Departure** There is a sign-in/out sheet for the Summer Camp program. Please sign your child in/out each and every day. We will not allow students to walk out alone to your vehicle at the end of the day. This is for your child's safety and is one of our rules. Please let us know if you will be picking up your child early so that we can be sure to have them ready. Warriors TKD Academy is not responsible for implementing custody arrangements. We will not release your child to anyone who is not listed on our Authorized Pick Up list. We will also request a driver's license validation from anyone who we do not know. If a family member or friend will be picking up your child, even on an intermittent basis, please ask them to stop by so we can meet them. We will not allow your child to leave in the company of a minor (brother, sister, etc). This is for the safety of your child.

**Illness and Exclusion** If your child becomes ill while at the Summer Camp program, you will be notified to pick up your child as soon as possible. Please make sure we have updated information on how to get in touch with you at all times. We do not have special facilities for sick children, but we will keep them as comfortable as possible until you arrive. If necessary, we will separate them from the other children. Please do not let your child come to and participate in the Summer Training program if they are ill or exhibiting any symptoms of illness, including fever, diarrhea, or vomiting.

**Transportation** We will transport your child from Warriors TKD Academy to field trips. We will take every precaution in transporting your child. Each child will be informed of the Warriors TKD Academy van rules and will be expected to abide by them. If they do not comply with these rules, they may not be able to attend the Summer Camp program. Safety is our top priority.

**Medication** Warriors TKD Academy staff will not administer any medication to your child. If they require medication during the time when they are in our care, parents will have to make their own arrangements to stop in and dispense the medication themselves. This includes non-prescription medication.

**Medical Emergencies** The staff at Warriors TKD Academy has received First Aid and CPR training. If a medical emergency occurs, aid will be given as appropriate for our level of training. All efforts will be made to immediately contact parents or guardians. Emergency 911 will be contacted if professional emergency services are required. We will notify parents of medical issues immediately by either phone or in person.

**Parent Communication** Parent notifications will be posted near the sign out sheet, as well as on the bulletin board. We will also send out periodic email bulletins, so please be sure that we have your email address.

**Emergency Drills** Emergency drills are held monthly to familiarize your child with emergency evacuation procedures.

**Emergency Preparedness Plan** In the event of an extreme emergency requiring an evacuation, all children will be moved to a safe location. Children will be accounted for via the

# WTA CAMP Information

check in log. Children will be walked at least 50 feet away without crossing streets, by caregivers. In the event of a shelter and lock-down of students in the event of a tornado, volatile people, children will shelter in the back storage closet. Monthly fire drills are practiced to ensure children can exit the building within 3 minutes.

**Injuries** Warriors TKD Academy makes every effort to prevent accidents, but they are a normal part of childhood development and growth and happen occasionally in any martial arts program. Parents are responsible for any medical bills that arise from accidents. We will notify you as quickly as possible in the event of illness or injury. Incident reports will be kept on file anytime an injury occurs that requires professional medical care.

**Discipline** Each child enrolled in the Summer Camp program will participate in our martial arts training. As a part of this program, the children will be expected to do physical activities such as jumping jacks, push-ups and sit-ups etc. as part of their conditioning and training. These activities will also be used as a consequence for not following directions or misbehaving during class. Each child will receive an explicit warning before a consequence, such as 10 pushups, is given. The child will then rejoin the class and continue the program. This type of consequence is only used when the children are participating in a martial arts class. The child is never forced to perform a physical activity. If the child refuses to participate, we ask them to sit out and we will discuss the situation with their parents when they arrive. If they're not in class, we use a time-out policy to discipline the children. These types of consequences are used for all children in our classes. This is simply a part of their training in our martial arts program. We do give the children water and restroom breaks before and after every class, so there is no reason to interrupt a class. If your child needs to use the restroom or to get a drink, they must ask the instructor's permission to do so.

**Behavior** It is very important to us and for the proper care of your child that we know of any behavioral issues, both medically diagnosed and/or observed by you, that may impact your child's behavior during their attendance in our Summer camp. We ask that you be forthcoming and inform us of issues that we need to know about. If for any reason we believe that we are not qualified to care for your child because of his/her behavioral issues, or because their behavior is inappropriate and harmful to themselves and and/or others in our program, we will notify you that we are discontinuing care for your child the day after notification and that you need to seek alternative arrangements. Behavior issues will be addressed in person by a staff member or in writing by Master Tanna, if necessary.

**Snacks** Each child should bring a snack and a drink to the Summer Camp program. Snacks help to re-energize children whose energy and focus begin to fade after a long day. We do not have food preparation facilities, nor do we provide refrigeration or a microwave for any snacks. We do have water available anytime at the water fountain. Warriors TKD Academy is not responsible for meeting the nutritional needs of your child. Please be sure your child has a snack so that they stay energized and are able to focus on the activities we have planned each day.

**Visits to Warriors TKD Academy** Parents may visit Warriors TKD Academy at any time during our hours of operation to observe your child, program activities, the building, the premises and the equipment without having to secure prior approval.

# WTA CAMP Information

**Gang Free Zone** Under the Texas Penal Code any area within 1000 feet of a center is a gang-free zone, where criminal offenses related to organized criminal activity are subject to a harsher penalty.

**Policy Changes** Parents will be notified of minor changes to this document by a notice posted on our bulletin board, and/or by email. If significant changes are made, parents will be notified in writing and requested to sign a notification log.

**Questions or Concerns** Parents are welcome to drop in and visit anytime during our Summer program. If you wish to speak with Master Tanna, please contact him by phone or speak with him in person, if time permits. Master Tanna is always available to discuss the needs of the children attending the Warriors TKD Academy Summer program. DFPS child abuse hotline: 800-252-5400
