★ THE ASCENSION MESSAGE

This is the gateway — the ceremonial threshold where thousands may enter, but only a select few rise. The first 3,000 receive their entry freely and may upgrade within the first year to secure their JPG identity through the \$10 and \$12 tiers.

But among them stands a rarer path — the path of the **Pillar Ascension Candidates™**.

Fifty from the USA and fifty-two from the thirteen global regions (four each) may step forward with intention. They do not wait to be discovered — they secure their place.

To rise into Pillar Talk, each Candidate must claim their **30-second, 60-second, 90-second, or 3-minute video** — the message that will introduce them to the world and to the future **MS. BOBI ROYALS™** herself.

You must submit within 6 months or forfeit your position.

Their commitment is simple: Complete the PDF survey. Select their JPG tier. Secure their total — **\$50 USA** or **\$52 International**. And step into the arena where identity becomes legacy.

These **102 voices** will be the first ever showcased across the **35 RRRR FLW Pages**, each receiving one of the pages where MS. BOBI ROYALS™ will highlight their story, their presence, and their purpose.

This is not a list. This is not a form. This is not a payment.

This is Ascension. This is the moment where a name becomes a voice, and a voice becomes a pillar. This is the beginning of the **5-Year Royal Ascension Legates™ Pillar Talk Era.**
