POWERED BY myQ.

84505R

Secure View™ Smart Garage Opener
with Built-in Camera, Integrated Dual LED
Lighting System, Ultra-Quiet Belt Drive®

Popular features

Quiet and smooth operation

Best-in-class belt drive system and DC motor provides reliable operation and lasting service.

myQ® Connected

Control, secure and monitor the garage from the myQ app anytime, from anywhere.

Secure in-garage delivery

Enables Amazon Key In-Garage Delivery - free for Amazon Prime members.

Security+ 2.0®

Safeguards garage access by sending a new code with every click of the remote.

myQ Diagnostics compatible

Provides real-time insights for your garage door via its Health Report. You will be sent alerts if an issue arises and can connect to your Dealer for professional services if needed.

Invisible light beam system

Auto-reverses the garage door if there is an obstruction.

Posilock® protection

Electronically protects against forced openings of the door.

Camera with 2-way communication

A built-in 130° wide angle camera lets you see and hear what's happening in your garage through the myQ app.
