LiftMaster

POWERED BY myQ

Premium

4690L

The LiftMaster 4690L redefines what a garage door opener should be like—quiet, connected, and built around your life. Its ultra-sturdy chain drive keeps the peace on early mornings and late nights, while Corner to Corner Lighting™ coverage brightens your entire garage the moment you step in. With integrated myQ® connectivity and an adjustable video camera that lets you keep eyes on what matters most, you stay connected from anywhere. For homeowners who want everyday convenience without disruption, the 4690L delivers lasting comfort, visibility, and peace of mind.

Features that matter most

Battery Backup

Keeps your garage working—even when the power goes out.

myQ® Connectivity

Open. Close. Monitor. From anywhere.

Chain Drive + DC Motor

Designed for smooth and quiet performance.

All-day visibility

Wide-angle, night vision lets you see your garage—day or night.

Lifetime warranty

Backed by a lifetime motor warranty.

Heavy Duty Motor

Designed for high-use garages and harsh conditions.

Corner to Corner Lighting™

360° LED Lighting brightens your garage from every angle.

Motion detection

Lights the way automatically for additional safety.

360° Adjustable Camera

With its built-in swivel mount, this camera lets you easily adjust the 130° wide-angle lens to capture any direction. Stay connected to your garage anytime with live streaming through the myQ app.

Corner to Corner Lighting

Motion-activated 360° LED lighting floods your garage with full, even brightness—engineered for visibility, safety, and hands-free convenience. Its sleek, modern design enhances your space while delivering reliable illumination for everyday use.

Never locked out

When the power goes out, LiftMaster keeps you moving. With built-in Battery Backup, your garage door continues working—so you're never locked out when it matters most.

Included in the box

3-Button Remote Control (2)

Operates up to 3 openers or myQ light accessories. Safeguards your home with Security+ 3.0™.

L993M

Smart Control Panel®

Displays time and temperature, allows for easy programming and automatically activates light when you enter the garage.

L958W

Garage Door Opener Battery

Integrated battery back up allows you to open and close your door even when the power is out.

485LM

Do more with myQ

Use the myQ app to control, secure and monitor your garage and conveniently share and manage access to your home without sharing passcodes or keys. Also, take the hassle out of service repair and easily connect to a trusted Dealer through the myQ app.
