

USCRP TO HOST DECADAL VISIONING WORKSHOP

Workshop Intent

The workshop will take place at the Hilton St. Petersburg Bayfront from 12:00 PM ET Tuesday, June 11 through 12:00 PM ET Thursday, June 13 2024.

At the Visioning Workshop, participants will explore the future direction of coastal research, share valuable insights, and engage in stimulating discussions with professionals and researchers who are passionate about addressing the challenges faced by coastal communities.

Objective: Bring together Federal Agencies, Stakeholders, and Academia to identify and prioritize key management challenges and high priority science gaps to guide the next decade of coastal research.

Agenda

Tuesday June 11th

- 10-year Review and State of Nearshore Research
- Stakeholder Perspective and Local Societal Needs and Challenges
- Summary of Research Priorities from Federal Agencies and Academia

Wednesday June 12th

- Co-developing Solutions to Coastal Challenges
- Applied Research Opportunities to Implement Solutions

Thursday June 13th

- Topical Science and Fundamental Research
- Articulating Workforce Development Needs
- Compiled Information on Workforce Needs and Gaps

Invitation

We invite agency, academic, non-governmental, and stakeholder members to join us at the Hilton St. Petersburg Bayfront. Please visit our website and RSVP via Eventbrite!
