WORKING WITH REAL ESTATE AGENTS (LEASE TRANSACTIONS) (FOR LANDLORDS)

NOTE: This form is designed for use by agents working with landlords. It is similar, but not identical, to the "Working with Real Estate Agents Disclosure (For Sellers)" published by the NC Real Estate Commission (available as NCR Standard Form #520), which must be used by agents working with sellers.

IMPORTANT

This form is <u>not</u> a contract. Signing this disclosure only means you have received it.

- In a real estate lease transaction, it is important that you understand whether an agent represents you.
- Real estate agents should (1) review this form with you at first substantial contact before asking for or receiving your confidential information and (2) give you a copy of the form after you sign it. This is for your own protection.
- Do not share any confidential information with a real estate agent or assume that the agent is acting on your behalf until you have entered into a written agreement with the agent to represent you. Otherwise, the agent can share your confidential information with others.

Note to Agent: Check all relation	onship types below that may apply	to this landlord.
into a written listing agreemen	t with you before they begin to mar ts agents would then represent you. T	ve you this form (and the agent's firm) must enter ket your property for lease. If you sign the listing the tenant would either be represented by an agent
property. If you agree in a writte (company), would be permitted	en agency agreement, the real estate to represent you <u>and</u> the tenant at t nant, but the firm and its agents mus	m has a tenant-client who wants to lease your firm, and any agent with the same firm ne same time. A dual agent's loyalty would be t treat you and the tenant fairly and equally and
represent both you and the ter		n agency agreement, the real estate firm would ne agent to represent you and a different agent to heir client.
	senting you and has no loyalty to you	dlord (For Lease By Owner): The agent who gave in the agent will represent only the tenant. Do not
