St. Patrick's Elementary School acknowledges that we are gathered, learn, play and work on the traditional and unceded territory of the Coast Salish people, including the territories of the Squamish, Musqueam and Tstsleil Wututh Nation.

Dear Lord, we come to you today to ask for your blessing. Lord, you have brought a new set of parents into our community and we ask you to bless them.

Father, we ask for each parent to be granted peace of mind as they tour our school. Grant them a sense of ease as they become familiar with what could become their child's classroom. Help them feel at home here, Lord.

St. Patrick's Elementary is a Catholic Independent School of the Vancouver Archdiocese. An elementary school, established by St. Patrick's Parish, it follows the policies and procedures recommended by the Catholic Independent School Vancouver Archdiocese (CISVA).

The Pastor works together with the Parish Education Committee (PEC) which is composed of five elected and two appointed members.

The Education Committee assists the Pastor in carrying out the responsibilities laid out in the Policy and Structure for the administration of schools within the Society. They then delegate the authority to the Principal who oversees the day to day operation of the school and the areas pertaining to the academics.

The philosophy of our Catholic school expresses the teaching and practice of the Roman Catholic Church and must be supported by all members of the community. **Partners (home, school, parish) in Catholic education must work together to provide an environment where faith and learning go hand in hand leading the young people to be the best they can be.**
