Arts:	Fall colours, Thanksgiving and Halloween

Happy Birthday Blessings to our October students:

Ethan (October 2nd)

Andrew (October 24th)

The first month of Kindergarten has passed and we have covered a lot of important teaching and learning. Students have developed special friendships and have become familiar to the routines of the day. We are amazed at how quickly the students have become comfortable in walking to the classroom on their own! Thank you, parents, for your cooperation. You have allowed your children to become independent in their morning routines.

REMINDERS

- All Planners/Agendas **MUST** be handed in every morning and signed by parents, even if there are no notes in them.
- As the weather is getting colder, please send children to school with jackets and appropriate shoes/boots. At times the students play outside even when there is a light drizzle of rain. If your child has no coat they are still expected to join the rest of their classmates outside.
- Girls need to wear shorts under their skirts as they sit on the carpet and play in the playground.

Thank you and Happy Thanksgiving!

Mrs. Harris
