

Dear Parents:

Thank you for attending the 3 Way Conferences. It was very nice to meet in person to discuss your child's progress. The students have been working hard on their academics and building respectful and meaningful relationships with classmates. This month will be short but filled with excitement.

REMINDERS:

- Please check & initial planners daily
- Students should be reading daily for at least 15 minutes: RAZ kids or novels at their reading level (not too easy)
- Please provide healthy lunches

Curriculum Highlights:

Religion: Locating scripture passages, Parables, Liturgical Year, Hail Mary in French

Reading: Making connections and inferences with Fiction and Non Fiction lit.

Writing: Writing paragraphs with engaging topic sentences, writing process - editing

Math: multiplication and division strategies, 0-12 times tables, solving word problems

Science: Energy comes in various forms and is conserved

Socials: Interactions between the First People and Europeans

Please email me with any questions or concerns.
