“One Family, One
Hope in Christ.”

THE TORCH

*“The Rosary is my
favourite prayer.”*

- Pope St. John Paul II

Dear Grade 6 Parents,

October and autumn have arrived! It is also the month dedicated to the Rosary. I encourage you and your families to make the time to pray this prayer together and bring your intentions to Mary who is the Queen of the most holy Rosary.

Speaking of the Rosary, the Grade Sixes are learning about this beautiful prayer in Christian Education this month. They are exploring the mysteries from each set (i.e., Joyful, Luminous, Sorrowful, Glorious) and developing an understanding of the significance of each one.

In Language Arts, the students are working on reading comprehension and proofreading through various reading and writing exercises. In Math, they are continuing to learn about place value, rounding, and estimating and the importance of each when performing all operations (i.e., addition, subtraction, multiplication, and division). They will also be working more on word problems in the coming weeks.

As we enter colder weather over the next several months, please ensure that your children are warmly dressed for school. For more school information, please check the Remind App, all notices and permission forms sent home, and other updates from the school office. Please continue to keep all of us in your prayers as well.

Sincerely in Christ,
Mr. Quan

Key dates:
