Lest We
Forget

November Report

Last month we were really rolling through our routines! We welcomed Stellan and Angad to our classroom family! We had our Mario Kart Walk A Thon and won a bunch of prizes! We discussed what it is like to be thankful and different things we are thankful for. We are going through the alphabet and we are now on the letter F! I think that is Fantastic!! It is also Fabulous! We also had lots of FUN! During religion we are learning about Remembrance Day and all about peace. We have worked with water colours and have drawn spooky and funny pictures for Halloween! What a great month!

Reminders

- The weather is getting colder!
Please make sure your child has a jacket for chilly days. We go outside and play rain or shine!
- Please make sure the girls wear shorts under their tunics so they can play freely.
- If your child is sick, PLEASE make sure they stay home. We don't want to spread any germs to other children (and teachers!)

A Look at This Coming Month...

In Social Studies we are going to learn about our families and how they are different yet amazing in every way! In Phonics, we will review and learn to identify the sounds and print the letters A to J in both upper and lower cases. In science we are learning about our five senses and how they help us learn about the world around us. We are singing songs and learning about Remembrance Day! During Religion we will be talking about the Holy Family and the season of Advent.
