HAPPY  
THANKSGIVING

## October Report

September in Kindergarten was a busy month! We learned about the season of Fall and how some trees have leaves that change colour! We are learning about ourselves and how we are the same and different from our friends in the classroom. In art, we talked about fall colours and painted beautiful fall pictures. We are learning about our Mother Mary and we are practicing the "Hail Mary" prayer every day. We learned the letter A and we are working hard on neat printing.

### Reminders

- The weather is getting colder! Please make sure your child has a jacket for chilly days. We go outside and play rain or shine!
- Please make sure the girls wear shorts under their tunics so they can play freely.
- If your child is sick, PLEASE make sure they stay home. We don't want to spread any germs to other children (and teachers!)

## A Look at This Coming Month...

In Social Studies we are continuing to learn "All About Me and My Feelings". In Phonics, we will review and learn to identify the sounds and print the letters A and B in both upper and lower cases. In science we are continuing to learn about our changing seasons. We are singing songs and learning about Thanksgiving and doing lots of turkey art! In science we are going to start learning about nocturnal animals. During Religion we will be talking about the seven days of God's creation and continue praying the Hail Mary.
