September's Report

Our first weeks in Kindergarten were a great success! The boys and girls have done a great job of adjusting to our daily routine. We continue to review classroom rules and procedures as well as center rules and proper indoor voice level. We have also started reading and writing our letters and numbers. Thank you for all who were able to attend "Meet the Teacher". It was a great turnout and I loved meeting you all. Last Friday we had a "Lockdown Drill" and it was a huge success! Please remember to dress your child in a jacket. We may not need it at lunch but recess is still quite chilly. We have a missing sweater! Please look at your child's sweater and make sure it is theirs and not one that was mistakenly picked up. Another gentle reminder to label everything.

Dates to Remember

Reminders

- Please remember to put in \$10.00 for our monthly birthday parties.
- Please remember to put in a small towel in your child's lunch box.
- Remember runners for P.E.
- Please include extra clothes in your child's backpack in case of accidents.

A Look at This Month...

In Social Studies, our theme will be "All About Me and My Feelings". We will discuss how we are unique and special in our very own way. In Phonics, we will learn how to identify the letters B, C and D and complete many fun activities to help us learn the shape and sound of these letters. In Math, we will continue counting our way to 100 days in school and reviewing how to read and write numbers. In science we are learning about nocturnal animals. We are also planning on going on a Walk A Thon in early October. Permission forms must be filled out in order for your child to participate.
