

Kindergarten

September Report

Our first full week in Kindergarten was a great success! The boys and girls have done a great job of adjusting to our daily routine. We continue to review classroom rules and procedures as well as center rules and proper indoor voice level. We are also getting used to proper mask wearing, hand washing and being aware of social distancing. With the air quality being so poor, outside play has been difficult, but we have had lots of fun playing with our new toys in centres and learning about each other's interests!

Dates to Remember

Every Wednesday is a 2:20 or 2:30 dismissal

Every Wednesday at 11:15 there will be a zoom check in with my two transitional students. I can't wait to meet you!!

Happy Birthday!

To...
Tera!!!

Reminders

- The weather is getting colder! Please make sure your child has a jacket for chilly days. We go outside and play rain or shine!
- Please make sure the girls wear shorts under their tunics so they can play freely.
- If your child is sick, PLEASE make sure they stay home. We don't want to spread any germs to other children (and teachers!).

A Look at This Coming Month...

In Social Studies we will be learning "All About Me and My Feelings". We will discuss how we are unique and special in our very own way. In Phonics, we will learn to identify the sounds and print the letters A, B, C and D in both upper and lower cases. In science we are learning about our changing seasons. Art will be all about Fall colours and leaves. We are also learning how to draw people with arms and legs and how to colour without scribbling. This is sometimes a difficult skill since some students need to strengthen their fine motor muscles in their fingers for pencil and crayon control. Soon we will venture into learning about scissors and how to use them safely and accurately.

If you have any questions or concerns, please do not hesitate to contact me at charris@spev.ca.
