

# Kindergarten

with  
**Mrs. Harris**

## January Report

Happy 2020 everyone!! I hope it is amazing for you all! Last month was quick but action packed! We started to learn about Canadian woodland animals such as the moose. We learned about the Holy Family and Advent and what the candles represent! We are continuing on learning about letters and the sounds but now words are starting to take shape. In math not only did we learn our numbers all the way to the 70's, but we also learned about patterns and comparing objects. So much to learn in such a short time!

### Dates to Remember

- January 15- school Mass (Grades 4 and K are in charge!)
- January 20- Fire Drill
- January 21- Lockdown drill
- January 31- Student Led Conferences.

**Happy  
Birthday!**

To...  
**Mrs. Harris!**  
(Jan. 9)

### Reminders

- Jackets are a must. Please make sure they also have toques and gloves on very cold days.
- Please put a dry pair of socks in your child's backpack in case of wet feet.
- If your child is sick, PLEASE make sure they stay home. We don't want to spread any germs to other children (and teachers!)

### A Look at This Month...

This month we are starting on our speech arts. We will be performing "Chicka Chicka Boom Boom" as our poem. I will be sending the poem attached to this newsletter. Please take time and read this over with your child as it will be very helpful for their success. We are also learning about different shapes and reading some sight words. In religion, we are starting our "I Am a Gift From God" program. This is a very important noninvasive unit teaching children how God loves us all and how children should respond to inappropriate touching or words. We are also hosting our "Student Led Conference" at the end of the month. This is a special time for you and your child to quickly tour the classroom and see some of what your child does in kindergarten!

I missed the class during the break and I am so glad we are all together again!
