ST. PATRICK'S ELEMENTARY SCHOOL

Other Incidentals: (Please initial)

St. Patrick's Elementary School will introduce the use of incidentals PAD fees effective from 1 September 2020 to collect incidental fees from families. In practical terms what this means is that when the school notifies you of an incidental fee for your child (for example, a field trip fee, year book fee) that these funds **will be debited directly** from your bank account by the school. We are introducing this process to help automate our payments processing and reduce the need to handle physical cash/ cheques. In order to do this, we require your authorization **and a copy of a void cheque**.

Please note that St. Patrick's Elementary School will only withdraw the specified amount after first having notified you of the amount and purpose for which the fee is being levied and the date that the funds will be debited from your account.

In introducing this payment process we will reduce substantially the school's overhead (collecting physical cash, the depositing of such cash at the bank, its reconciliation not to mention avoiding cases where a child might lose the money on the way to school).

I, consent to St. Patrick's Elementary School debiting from my bank account payment for incidental activities related to my child's education that occur during the course of the 2023-24 school year recognizing that the school will only do so after first informing me of the activity, its cost and the date the funds will be withdrawn from my account.
