SEEKING TRUTH, HEALING AND RECONCILIATION

ST. PATRICK'S ELEMENTARY VANCOUVER

LIVING ROSARY:

The Catholic Church dedicated the month of October to the Holy Rosary. Last Wednesday, October 19th students took part in a Living Rosary. Students from K-7 represented a bead and led the prayer associated to their position in this beautiful prayer service. Thank you to all our students for taking part and thank you to our grade 7 students who have been leading the school each morning with a decade of the rosary during morning prayer.

UPCOMING: HALLOWEEN

The PEC along with administration have decided to try using Munchalunch for our fundraising initiatives. By using Munchalunch we will save time, and allow parents a faster way to place orders.

Our first fundraiser using Munchalunch will be held on Halloween, October 31st. Parents are asked to complete all orders using the online ordering system by tomorrow, Monday October 24th. This includes payment to participate in wearing a costume. To wear a costume, students are asked to make a \$2.00 donation which will go towards Chalice.

Students who participate may come to school in their costume. They should not wear masks or costumes that promote evil or violence. Wearing Fall or Halloween Colors (e.g. brown, orange, black) is also acceptable.

Please see the next page for all Halloween fundraising events.

UPCOMING: BOOK FAIR

Our annual book fair will held on October 31st 8:00 a.m. - 3:30 p.m. in the after school care room. Parents are invited to visit and purchase some reading books for their children. These make great gifts! A virtual link to the book fair and more information will be made available on REMIND and, on the school website in a few days. Payment made via cash, credit and debit cards will be accepted. Happy Shopping and Happy Reading!

St. Patrick's Elementary School acknowledges that we are gathered, learn and work on the traditional and unceded territory of the Coast Salish people, including the territories of the Squamish, Musqueam and Tsleil Wututh Nations.
