SEEKING TRUTH, HEALING AND RECONCILIATION

ST. PATRICK'S ELEMENTARY VANCOUVER

Grade 6 & 7 camp ...

Thank you to Mr. Venegas for planning an awesome outdoor education camp for our grade 6 and 7 students. Both the staff and students worked together to overcome fears when climbing the high ropes and jumping in the Skynet.

We received many compliments from the staff at Zajac Ranch on how well behaved and well mannered our students were. I am proud of our students for representing our school and community in such a manner that they were recognized.

SCHOOL SECURITY

Doors at the side of the school are locked for security purposes. All persons entering the building must enter from the front of the school and are to report to the office, sign in and receive a visitor tag before proceeding to any room in the building and or the gym. When leaving, all persons must follow the same procedure and sign out, returning their visitor tag.

We will soon begin our emergency preparedness drills, these occur periodically throughout the year. The drills we will be conducting are fire, earthquake, lockdown, lockout and shelter in place.

UPCOMING:

Students are asked to come to school wearing their orange t-shirt and black pants, shorts or skirts on Thursday, September 29th. We will have a primary then an intermediate prayer service and assembly in the gym for National Day for Truth and Reconciliation also known as Orange Shirt Day.

There will be no school on Friday, September 30th as it is a day that can be used at home to reflect on reconciliation.

Please see website below for some background and information about Truth and Reconciliation.

A Path to Healing

"It took 125 years to create the problem
—seven generations—so it may take
generations to fix."

"Reconciliation." It's a big word,
but what does it mean? It is when
people work to repair a relationship.
It is an ongoing process. In this case, it is repairing the relationship
between Indigenous Peoples and other Canadians. It has been unequal
for a long, long time.

—Senator Murray Sinclair,
former Chair of the TRC
