

Hello Class of 2029 Parents!

Welcome to sophomore year!

Please complete the [Sophomore Class Form](#) to help us plan our RSVP numbers for the **Back-to-School Sophomore Swim Party** on August 16th from 7-8:30 PM at the Lamb's home - thank you to the Lambs for hosting us! The form also helps us get our class t-shirts ordered as soon as possible.

Historically, sophomore year is much simpler than freshman year in terms of parent planned events. However, we still have the ultimate goal of raising money for our Class of 2029 bank account, and any excess funds from this year will be saved in our class fund and used for senior year, particularly for the After-Graduation Party.

To simplify the process for both parents and coordinators, we are collecting funds in advance for all planned events. As parents, you won't need to keep track of which activities are paid for and neither will volunteers! The pre-dance class dinner for Homecoming will be held at Oklahoma City Golf and Country Club, and the Pep Club pre-dance dinner will be held at Gaillardia - times and details to follow.

While it is a quick turnaround, we are asking families to select and pay for their child's participation preferences for the back to school party and t-shirt by Wednesday, August 12, 2026 so we can plan remaining details and order sophomore t-shirts to wear for the first home football game on September 4, 2026.

Please let us know if you have any questions after completing the form. We are looking forward to a safe, fun-filled, and memorable school year!
