

The Spark – coaches

We hope you have a successful day at The Sparks.

We want this to be a good experience for the girls so performance is the most important thing not position or scores.

We have chosen our judges carefully because we know they will help us to achieve this.

- They will allow you to speak to your gymnasts should they forget their routines.
- They will recognise all elements regardless.
- They will make sure everyone has at least one complete vault.

When you arrive if you go to our registration desk they will tell you which way to go.

The doors will open at 8.00. You will not be allowed in the hall before then..

Competition starts at 8.30am or when all the gymnasts have arrived.

Please do not wear outdoor trainers on the competition floor. The sports centre is very protective of their wooden floor.

There is a good café upstairs but no food or drink is allowed in the hall.

At the end of each round your gymnasts will be able to leave. There isn't an overall winner so there is no need for them to stay.

Each gymnast will receive a medal. Which colour depends on their score.

This score will be decided on the day.

The Spark – set up

T

This is the set up for the hall. The far 3 stations are for 6years and 7 years level 2. The other age groups are on the near 3 stations.

If you have any 7years level 2 who have chosen to do handstand flat backs they join the flat back queue when they get to vault.

The Spark – how to get there

You are going to The Sports Training Village,
University of Bath,
Claverton Down,
Bath.
BA2 7AY.

The main entrance is via Norwood Ave BA2 7BA not Quarry Road.

As you approach the Sports Training Village there is parking on the left hand side of the road in car park A or G. These are the closest car parks to the sports village. Parking is free on a Sunday and you can also park in permit holders spaces too. If you can't find a space here continue past the main entrance and turn right where there is masses of other parking spaces. The Sports Training Village is on the right hand side of the road. You can't miss it, it's huge. Go in the main entrance where you will find our registration desks.
