

RHA® Collection

New Designer Filler

The RHA® Collection of fillers is designed for dynamic wrinkles and folds and made to be more like your skin's natural hyaluronic acid.

Fall in love with your skin!

Welcome Sculptra! This is a collagen skin booster that helps support your skin by stimulating your own collagen to kick it up! This is a series of treatments over several months but rejuvenates crepey skin and gently volumizes for a very natural effect. New Clients \$700/vial

Back to school Acne Treatments!

For any student with a valid ID (even college). Let's get that acne under control and gone for good! \$200/treatment

Don't be scared of Spiders (veins)

Tis the season to start treating those pesky veins and getting your legs in shape for Spring Break.

\$250/30min session. I inject as well as use the Aerolase Neo laser to treat those spider veins.

Enjoy a nice relaxing Hydrafacial by Cytopeel

If you have never had one, you are missing out! This will be the cleanest your skin will ever feel! Gentle suction is applied with a proprietary skin infusion to flush out your pores and decrease congestion. The perfect way to start Fall. Your skin will feel like a baby's bottom. Brighter, plump, and clearer! Special Into pricing \$149

Body by Dr. Jennifer (Exercise Optional)

The lazy girl's way to tighten those hard to reach areas. High frequency magnets cause muscle contractions while the RF heats up the adipose to melt away fat. Two areas like abs and arms or abs and thighs can be done simultaneously. \$1000/10 treatments.

RHA Redensity (The Magic Eraser)

Introducing the newest boutique filler on the market. RHA Redensity is like having an eraser in your pocket to literally erase all those fine lines without adding bulk. Amazing results! Those difficult upper lip lines, the deep crows feet around the eyes, the hard to treat tear troughs... This is a game changer!

Hope to see you soon,
Dr. Jennifer
