

Happy New Year Divas!! AND Welcome to Jen-uary! Dr. Jennifer's Birthday Month

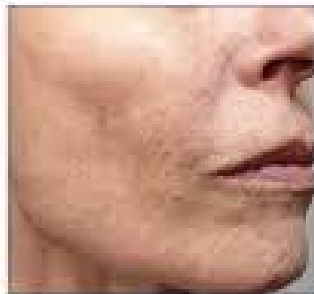

Welcome 2023!

New treatments coming in the New Year! Introducing EndyMed 3DEEP. Fractionated RF Microneedling offering the most effective skin tightening device on the market with little downtime. (I even tried it without numbing!) It's amazing and little to no discomfort. This device will tighten, tone, and resurface fine lines and wrinkles. Wait until you see what it can do for the neck and décolletage! Your mind will be blown! This has been the device that I have been searching for! If you get a chance, click to pictures below to visit EndyMed 3DEEP Website!

Introducing Dr. Jen's "Juice Bar"

IV nutrition to make you feel as good as you look! A variety of blends to address your specific needs. IV nutrition provides instant bioavailability of vitamins. It combats fatigue and provides instant energy. I am offering a variety of solutions to address individual concerns. Add on during a treatment or come in for a relaxing infusion by itself. Each infusion is about 45 minutes. No time for an infusion but need a pick-me-up? A quick injection might be just what you need. Move over Calgon...Let Dr. Jen, "Take you away!"
Membership discounts will apply!
