

What vendors are saying

“The Middletown craft show is a wonderful and fun family event. The show is growing each year and is very organized. The staff could not be more helpful and always listen to your needs and suggestions. These are some of the many reasons I come back year after year.”

- Countrytrail Soy Candles

“The Middletown Arts and Craft Show was a high quality show for me, as an exhibiting artist. The event was well managed, easy registration and check in. The park is lovely- lots of shade trees and paths that encouraged the shoppers to stroll through the whole park. Nice crowd and a good day of sales! I am definitely returning next year! Thanks so very much!”

- ColorFused

“Very well organized and a beautiful place for an art fair.”

- Walnut Ridge Designs

“I really enjoy doing the Middletown Craft Fair. It is well run in a beautiful setting. This is really a community event that everyone enjoys. As a vendor I appreciate the time and effort that goes in to making such a wonderful event.”
