

### **We Provide Case Management Services:**

We provide services for individuals ages 59 and younger on the Health and Wellness Wavier (formerly known as the Aged and Disabled Wavier). We also provide Case Management services through the Pathways program for individuals 60 and older needing the following services:

- Transportation
- Structured Family Care
- Specialized medical equipment and supplies
- Skilled respite
- Pest Control
- Personal emergency response system
- Nutritional supplements
- Integrated health care coordination
- Home modifications
- Home-delivered meals
- Care management
- Assisted living
- Attendant care
- Adult day service
- And so much more
