Closing Remarks - President Donna Woerner

Immediately following closing remarks, Ways and Means fun begins!!! Tons of great items so be ready to jump when your number is called! (Or someone will beat you to the thing you really had your heart set on---!)

SUPPER BREAK – 5:00-6:00 (tentative)

On return from Supper, (this is informal – you may show up after 6 if you need – we will catch you up) the President will conduct a debriefing meeting which will involve the line officers, council members, and any other members of this organization. We need to work together to see that our meetings provide members with the information and experience they should receive. We will chat rather informally and enjoy everyone's ideas, input, and discussions. This will take place in the **Magnolia Room** – I will keep you informed if there is a change

After Debriefing Mtg... All Pages Past and Present – BINGO! It's time to win prizes!

As President, I would like to thank you for taking the time and effort to attend this School of Instruction. I would hope that you take away one or two bits of knowledge that will be of benefit to you and your auxiliary. "And until we meet again may He hold you in the palm of His hand."
(from an Irish Prayer)

Have a Safe Trip Home!!
