SET-ASIDES: SERVICE-DISABLED VETERAN OWNED (**SDVOSB**), VETERAN OWNED (**VOSB**)

Sigma Solutions USA, LLC specializes in contract fulfillment through procurement and delivery as well as food service consultative service and guidance for international imports and exports as an FDA US Agent and FSVP. We are a veteran founded business with experience dealing with USDA, DoD, and national contracts. Our goal is to bring the experience, expertise, and past success to bear, to fulfill any contract that we seek. Our staff have over 25 years in military, fulfillment, and consultation. Our primary areas of expertise include procurement and logistics contracts, import/export fulfillment as an FDA US Agent and FSVP, and food safety consultative services. We qualify as a VOSB (Veteran Owned Small Business) and an SDVOSB (Service-Disabled Veteran Owned Small Business) through the SBA. As veterans, we know the discipline needed to fulfill contracts to the highest standards. As contractors, we seek out the areas where we can provide the best products and services that the industry has come to expect from us. Come see the difference working with the tip of the spear in contract fulfillment.
