

## The Trilemma! Jesus: Liar, Lunatic, or Lord?

In discussing Jesus Christ, many people use a patronizing attitude that he was a great human teacher, or a great moral teacher, or a very great man. However, from the previous section, it should be clear that Jesus claimed to be God. There are only **THREE** options, and being a great moral teacher and a very great man are not **TWO** of them:

1. If, when Jesus made his claim to be God, he knew that he was **NOT** God, then Jesus was a **LIAR** and a deceiver. We should have nothing to do with him!
2. If, when Jesus made his claim to be God, he really believed he **WAS** God, then Jesus was a **LUNATIC**—sincerely deluded, but none the less, a **LUNATIC**! We should denounce him!
3. If Jesus really **WAS** and **IS** God, then Jesus is **LORD**! We should worship and adore him!

What do **YOU** think? Which is **YOUR** choice to best describe Jesus?
