

John 3: 16

God really loves the world—YOU and ME!

“For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.”

[Jesus speaking to Nicodemus]

NOTE: This is the most familiar verse in the entire Bible. In this verse, Jesus declares that God is a loving God whose desire is not to kill or destroy us. Additional teaching from Jesus reveals that our salvation, our place in Heaven, does not come as a result of our own works, our own accomplishments in life, or any sacrifice we may have made. We may enter Heaven’s gates, not because of anything that we did, but because a sacrifice was made on our behalf. That sacrifice was the death and resurrection of Jesus Christ. The rest of the Bible is worth reading to see what God did for us and what we should do in return!

How many religions in the world today worship and serve a God of Love? How many religions have a Savior, a Savior who gave his life for his people?

On this website, I have tried to summarize a few verses that I believe are important.
