

# Will God Rescue His Eagle??

July, 2022

There have been a wide range of thoughts and concerns, mostly negative, about where it SEEMS our country is headed. I myself have been able to maintain a slightly more optimistic attitude by NOT listening to the lying major media outlet, by NOT caring what THEY are saying. I'm not too surprised that the Left is attempting to rewrite history in an attempt to make our founding fathers look like evil men who promoted slavery and other wickedness of that day. As I have told everyone in my family, and I may be the only one in the family who really believes it, I believe God is going to rescue HIS EAGLE (i.e., America!). I listen to a lot of people on Elijah List and Elijah Stream who think this way, and Robin Bullock is one of my favorites. The latest interview I listened to is this one from the end of June, interviewing Robin Bullock and Roger Stone, at this link: <https://elijahstreams.com/watch/watch.php?ID=1109> Of course, we ALL agree that in the future there will be a time of TERRIBLE TRIBULATION and WICKEDNESS that is prophesied in the Book of Revelation, and in the END, God wins in the final triumph of righteousness over Lucifer (Satan) and ALL the forces of wickedness. We all agree that before this happens there will be a RAPTURE (a catching away!) of the CHURCH to the marriage feast of the Lamb (Jesus, who died for our sins, and arose from the dead!). The only question among believers today is WHEN this will happen? Will this rapture take place in our lifetime, the lifetime of our children, grandchildren, or hundred(s) of years later???

Here is a summary of what I continue to believe:

1. The election was STOLEN by a political party that cheated in every possible way, including voting machines from outside the USA, which makes this a criminal act of treason from within and without our borders.
2. The theft was supported by deep state enemies with cooperation by Major Media outlets, that have been lying to us and suppressing truth since the election, not to mention satanic, spiritual forces in HIGH places, the worship of Baal, that requires the death of millions of babies through abortion and infanticide.
3. God will rescue his Eagle because, God has rescued us so often in the past, including the Miraculous rescue of 9,000 of George Washington's troops in the [Battle of Long Island](#) (likely involving our ancestor Dr/Col. Gilbert Potter on Aug 27, 1776) without a single loss of life. Remember, a strange fog hung over the escape giving cover to the rescue that needed more time to

complete. Consider the ragtag army under George Washington that defeated the British in 1776, the most professional army of that day. How did THAT happen?? Consider also the rescue of our Capitol in DC. In 1814, when it was occupied by the British who were burning it down. These British were chased out of town by a Miraculous hurricane that put out the fires and saved our Capitol.

4. God will rescue his Eagle because the Founding Fathers had a covenant with God. America was founded, the Constitution and Bill of Rights were based upon Godly principles taken directly from the Bible. Without these documents, especially the first two amendments, tyranny would certainly reign.
5. God will rescue his Eagle just as He did when the Children of Israel were in captivity in Egypt, then ultimately trapped between Pharaoh's chariots and the Red Sea. God made a way of escape for the Children of Israel, then He DROWNED Pharaoh and his army in the Red Sea, no longer a threat to the world of that day.
6. Perhaps this is like a card game, where the Left is building an elaborate card castle, built on lies and deception. How hard would it be for God to END the game? How hard would he have to blow with TRUTH to knock down all the lies and deception? Remember, God has the Trump card (if He chooses to use it!). Across America, God has a LOT of really GOOD cards.
7. Concerning the Rapture of the Church, will this be a rescue of a divided and ineffective church (which it is now!)? Or will it be a celebration in the future for a conquering Church, empowered Supernaturally by the Holy Spirit as in days of the Early Church, that is winning souls by the millions and threatening to tear the gates off the stronghold of wickedness (i.e., hell!)?? In other words, is it time for the end-times of the Book of Revelation now, or do we, the Church, still have work to do to evangelize the world before the return of the Lord Jesus and end of time?
8. If I am WRONG about this, and God does NOT rescue America, then the Left will have won, the free America that the patriots fought and died for will be lost. The freedom amendments #1 (Freedom of Speech and Freedom of Religion) and #2 (Freedom to own guns) will be lost in exchange for governmental thought and speech police that control ALL weapons. Bibles and open worship will be banned. Probably the TRUE Church that really believes in the Bible and salvation through Jesus will be persecuted as in the first century. The TRUE Church will separate from the Apostate church and

go underground, while the Apostate Church will continue as a social organization without Biblical values. The end will not be pretty for those who deceived us and those who are deceived—God will judge and punish the ungodly severely. Perhaps the Rapture of the TRUE Church will be soon. Remember, the Tribulation of the New Testament will be REALLY bad, but it ONLY lasts for 7 years.

Eventually, the truth will be known. I hope the truth will be revealed SOONER than later! Whatever happens, for ANYONE reading this, please be sure to study the life and teachings of Jesus, from the [Gospels](#), especially the [Book of John](#), and decide for yourself

1. who Jesus was and is;
2. [what He did for you and me](#); and
3. fall in love with Jesus, who died for us and [arose from the dead](#).

Please don't wait until too late to find out that He was and is the answer to your problems in life!!

We are continuing to pray for OUR FAMILY and OUR NATION! Hang in there, don't be discouraged! Whoever we are, if we love the Lord, we really aren't that far from Heaven! For those who have trusted Jesus, retirement benefits are "out of this world!" God will see us through whatever is in store for us.
