

EL3MENDO – HIJO DEL FUEGO

EL3MENDO: Cada barra es migración, memoria y machete.

Born Luis Bezanilla on August 15, 1973, in Miami to Cuban parents from Havana, EL3MENDO is a voice carved from migration, struggle, and survival. Raised between Miami and the Bronx, his story is marked by chaos, fire, and transformation.

Chapter II – Era del Trueno

The Era of Fire & Thunder

EL3MENDO calls his present evolution the **Era del Trueno**. Raw truth, discipline, and spiritual awakening fuel his sound—a hybrid of Callejero grit, Trap Mambo rhythm, East Coast lyricism, and Tribal del Bloque energy.
