Supporter,

My name is Teresa Nelson and I reside in McKinney Texas as well as my nonprofit. I'm contacting you to request your support NTheKnowCares4u 5013c Foundation. We are in the process of converting an 850 sq ft. brick shed in the headquarters and program center for NTheKnowCares4u 501(c)(3)

Once the shed is converted it will be used as our headquarters where we will administer meetings, programs, day camps and weekend retreats to support veterans and children. Some of the facilities will be used for storage for products for the homeless and senior citizens.

THE SHED TRANSFORMATION PROJECT was started 1/2/2023 in McKinney Texas. The shed sits on the back of 1 acre.

We have accomplished these updates with our own funds.

1. Installed electricity w/ two ceiling fans.
2. Installed attic and attic flooring for storage.
3. Installed back patio with roofing.
4. Installed curtains
