2026 - 2027 Knights Athletics Commitment Agreement

Due Wednesday, August 19

Being a part of the CCA Knights is an honor and a responsibility. Each athlete represents our school, our team, and our Christian values both on and off the court and field. By signing this agreement, you commit to being a dedicated and responsible team member.

As a Knight, I agree to the following:

- Commitment to Practices and Games: I will attend all scheduled practices and games. If I have a schedule conflict, I will notify my coach in advance and discuss it with them.
- Communication: I will use Spond to communicate with my team and coaches, to access my schedule, and to pay my sports fee.
- Prompt Pickup: I will be picked up promptly at the end of practice. If I am not picked up on time, I will go to Aftercare, and normal Aftercare fees will apply.
- Sports Fee: I will pay the required sports fee before the first game. I understand I cannot play until this fee is paid. If I need an extension, I will speak with Jen Rinker, the Athletics Secretary.
- Sports Physical: I will provide proof of a current sports physical from a licensed doctor before the first game. I understand I cannot play until my form is turned in. If I need an extension, I will speak with Jen Rinker, the Athletics Secretary.

Acknowledgment:

I understand that being a Knight means representing Carolina Christian Academy with integrity, teamwork, and respect. I accept these responsibilities as a student-athlete.
