

Family volunteers are important to the success of our scholarship programs. It is through volunteer hours that we can keep tuition costs reasonable. We will communicate specific ways you can help CCA.

We ask you to invest as much as possible. Not only will your work bless the school, but it will also show your children how to serve their community and Christian kingdom well. All volunteer hours will be carefully tracked.

We ask that you select a minimum of 3 volunteer opportunities of interest. The appropriate staff or faculty will contact ahead of time with more event information.

Please, fill out the form with your **minimum of 3 choices** and **return to the office by September 29th, 2021.**
